

SPEAK PERCUSSION

COVIDSafe Plan

Speak Percussion is thrilled to be performing in front of live audiences again.

To ensure all audience members feel safe and supported when attending events, exhibitions and on-site meetings, we regularly review and update our COVIDSafe Plan in response to changing [Victorian Government COVID-19 guidelines](#).

On this page you'll find a range of safety and hygiene measures that enable a COVID-safe environment. Please review carefully as the guidelines may vary depending on the nature of your visit.

VACCINATION IS YOUR TICKET BACK INTO A SPEAK PERCUSSION PERFORMANCE

From Wednesday 10 November 2021, audience members over the age of 16 must show their COVID-19 vaccination status (or a valid medical exemption) as a condition of entry to any Speak Percussion event or performance.

The quickest and easiest way to show proof of vaccination is by adding your [COVID-19 digital certificate](#) to the Service Victoria app.

For more information please visit the [Victorian Government Corona Virus website](#).

Showing proof that you are fully vaccinated against COVID-19 is your way of contributing to a safer Victoria for all of us, everywhere.
